To the Electors of

St. Mark's Ward.

Ladies & Gentlemen,—

Once more you are called upon to select three Aldermen to represent your Ward in the City Council. As far as I am individually concerned, I can look back with pleasure at what I have accomplished during the past year. Knowing the advantages of a UNION STOCK YARD FOR ONTARIO, I feel a little disappointed at not fully locating the yards in 1886; yet a great advance has been made and, as you know, large enterprizes cannot be carried in a day. I can only say, if the rate-payers place the same confidence in me which they have on former occasions, I will put forth my best efforts to serve them in all matters pertaining to city affairs, particularly ST. MARK'S WARD, and I trust that by the end of 1886, with the assistance of Brother Alderman, to have a Union Stock Yard located in our Ward, something similar to cut on opposite page.

Hoping, Ladies and Gentlemen, you will select THREE good, honest men to represent you, and trusting your humble servant will be one of your choice,

I remain,

Respectfully,

M. J. WOODS.
