CALGARY**

CONDITIONS OF SALE

All prices F.O.B. Factory.

This Price List cancels all former ones and is subject to change without notice.

Discounts are furnished to the trade and are likewise subject to change without notice.

Former discounts do not apply on this list.

No claims for shortage will be entertained unless presented within five days after receipt of goods. In contract sales, we do not hold ourselves responsible for breakage after goods are delivered in good order and condition to the transportation company.

No goods returned will be given credit for unless by special arrangement. Goods returned for repairs or otherwise must have sender's name and address, or else we cannot identify.

We do not send out goods on approval or trial, for, when properly set up and cared for, we will guarantee their performing all we claim for them.

All contracts are contingent upon strikes, accident, war conditions, and other causes beyond control.

We do not assume any responsibility in connection with any goods manufactured by us further than replacing defective parts at our factory, as specified under free repair clause on the back of our regular order forms.

We retain the right to make such changes in the specifications of any of the machines listed herein as may be deemed advisable or necessary.
