Directions for Teachers.

The Scholar is asked the name of the place referred to by any number on the map ; (for instance No. 6) on turning to the index he will find it to be Cana. The Teacher then proposes the questions in page 11 ; the answers to which will be found in the chapters there mentioned. After a little practice, the learner will be enabled to name any place referred to, and the occurrences connected with it.

Directions for Teachers.

The student is asked the name of the place named in
by any number on the map; (see instruction No. 1) on Jan-
1870 to what he will find it to be. The teacher
then proposes the question in page 11; the answer to
which will be found in the chapter "The Mountains."
After a discussion, the teacher will be enabled to draw
any plan desired to, and the documents connected
with it.
