Foundation Stone of Trinity College laid,

University of Trinity College.

THE UNIVERSITY OF TRINITY COLLEGE was constituted by a Royal Charter, bearing date 16th July, 1852, and empowered to confer Degrees in Divinity, Arts, Law, and Medicine.

THE CONVOCATION of the University consists of the Chancellor, the Provost and Professors of Trinity College, and all persons admitted to the Degree of Master of Arts, or to any Degree in Divinity, Law, or Medicine, in the University.

No Degree can be granted by the University unless a Supplicat for that Degree shall have passed the Convocation, having been previously approved by the Caput.

THE CAPUT consists of the Vice-Chancellor; the Deans of the Faculties of Law and Medicine; and Two Masters of Arts, to be elected annually by Convocation at the first meeting in the Michaelmas Term.

The University confers no Degree whatever unless the Candidate has previously taken the oath of allegiance and supremacy and subscribed the following declaration :—

“I. A. B., do willingly and heartily declare that I am truly and sincerely a member of the United Church of England and Ireland.” *

* For any Degree in Divinity, subscription to the Three Articles of the XXXVIth Canon is also required.

THEOLOGICAL CLASS.

The Theological Course extends over two years. Any person is eligible for admission to it who has taken the degree of B.A., or who has passed one year in the Arts Course and attained the age of twenty-one.

PROCEEDINGS IN ARTS.

All Candidates for the Degree of B.A. must be matriculated Students of Trinity College, and have kept nine complete Terms. They will be required by the University to pass two Examinations—

I. THE PREVIOUS EXAMINATION, which will take place at the end of the Lent Term in the second year.

The subjects of this Examination will be:

One of the Historical Books of the New Testament.
Paley's Evidences of Christianity.
The Church Catechism.
One Greek and one Latin Author.
Latin Prose Composition.
Euclid—B. I. II. III. IV. VI.
Algebra to the end of the Binomial Theorem.
Trigonometry to the end of the solution of Triangles.

The particular Latin and Greek authors will be fixed at the beginning of the Lent Term in the year preceding. The names of those who pass this Examination will be arranged in two classes, in alphabetical order—the first class consisting of those who shall pass with credit; the second of those to whom the Examiners shall only not refuse their certificate of approval.

Any one who shall absent himself from the proper Examination of his year, without the written approval of the Vice-Chancellor, will not be allowed the Lent Term of that year.

Those who fail to satisfy the Examiners must present themselves at the Examination in the following year.

II. THE EXAMINATION FOR THE DEGREE OF BACHELOR OF ARTS, which will take place at the beginning of the tenth Term from Matriculation.

The subjects for this Examination will be :

Old and New Testament History.
 One of the Historical Books of the New Testament.
 The Articles of the Church of England.
 Two Greek and two Latin Authors.
 Greek and Roman History.
 Latin Prose Composition.
 Euclid.
 Algebra to the end of the Binomial Theorem.
 Trigonometry to the end of Solution of Triangles.
 Mechanics.
 Hydrostatics.

The particular authors will be fixed before the end of the Easter Term of the second year.

Those who shall have been approved at this Examination may present themselves for further Examination for Honors in Classics or Mathematics.

The Honor Examination will take place shortly after the Examination for the ordinary degree of B.A. The result of each Honor Examination will be published in three classes, in order of Merit.

N.B.—The Lectures in the Arts Course commence

in the Michaelmas Term; and as the Annual Examination in the following June, and the final Examination for the degree of B.A. embrace the subjects of the lectures delivered in that Term, a Student entering at any other Term does so under a great disadvantage.

The particular subjects for Examination will be fixed in the Lent Term of the preceding year.

Candidates will be arranged in order of merit.

PROCEEDINGS IN MEDICINE.

Students intending to proceed to a Degree in Medicine are required—

1. To Matriculate,
2. To pass their first year in College under the same regulations as Students in Arts.

N.B.—During this year they must attend, besides the Arts Lectures, one Lecture daily on *Materia Medica*, and one on Chemistry.

3. They will be required to pass the PREVIOUS EXAMINATION at the end of the Lent Term in their second year.

4. The three remaining years of their course will be devoted to Medical Studies exclusively; during which time they will be subjected to two Examinations—the first in the April of their third year, and the second at the end of the course. Before each of these Examinations a Fee of £3 must be paid.

5. On completing the course of four years, and passing the requisite Examinations, the Student receives from the University a License "*ad practicum in Medicina*."

6. He may proceed to the Degree of M.B. after the expiration of two years from the completion of his Medical course, without further Examination.

NOTE.—The Declaration required of Candidates for any Degree in Arts will be required of Candidates either for a License or a Degree in Medicine.

Further information as to the course of study may be obtained by application to the Dean of the Faculty.
