UNIVERSITY OF TRINITY COLLEGE.

THE UNIVERSITY OF TRINITY COLLEGE was constituted by a Royal Charter, bearing date 16th July, 1852, and empowered to confer Degrees in Divinity, Arts, Law, and Medicine.

THE CONVOCATION of the University consists of the Chancellor, the Provost and Professors of Trinity College, and all persons admitted to the Degree of Master of Arts, or to any Degree in Divinity, Law, or Medicine in the University.

No Degree can be granted by the University, unless a Supplicat for that Degree shall have passed the Convocation, having been previously approved by the Caput.

THE CAPUT consists of the Vice-Chancellor, and four members of Convocation, to be elected annually by Convocation, at the first meeting in the Michaelmas term.

The University confers no Degree whatever unless the candidate has previously taken the oaths of allegiance and supremacy, and subscribed the following declaration:—

“I, A. B., do willingly and heartily declare that I am truly and sincerely a member of the United Church of England and Ireland.”*

* For any Degree in Divinity subscription to the Three Articles of the XXXVIth Canon is also required.

Proceedings in Arts.

All Candidates for the degree of B.A. must be Matri-
culated Students of Trinity College, and have kept
nine complete Terms. They will be required by the
University to pass two Examinations.

I. THE PREVIOUS EXAMINATION.

This Examination will take place, in the case of Students entering in the Michaelmas Term, at the end of the second year. The subjects for this Examination will be :

DIVINITY.—One of the Historical Books of the New Testament in Greek.

Evidences of Christianity.

Church Catechism.

CLASSICS.—Portions of two Greek and two Latin Authors.

Latin Prose Composition.

MATHEMATICS.—Euclid, Books I. II. III. IV. VI.

Algebra, to Binomial Theorem inclusive.

Trigonometry, to Solution of Triangles inclusive.

Elementary Statics.

Elementary Dynamics, to the end of Rectilinear Motion of a Particle.

The particular authors to be fixed at the beginning of the Lent Term of the preceding year.

The names of Students who pass this Examination will be arranged in three classes, in alphabetical order ; the first class consisting of those who shall have obtained at least half the whole amount of marks in each subject : the second of those who shall have passed creditably, though below this standard : the third of those to whom the examiners shall have only not refused their certificate of approval.

Any student who shall have obtained a first class in the previous Examination, and shall also have passed a satisfactory examination in the Honour Subjects in Classics at the end of the second year, shall be allowed

to declare for Classical Honours, and shall be exempted from attendance at Mathematical Lectures during his third year.

The like exemption will be granted on the like conditions (*mutatis mutandis*) to Mathematical Students.

Those Students who shall have been rejected at the Previous Examination of their own year, or who shall have been absent from such Examination, shall be required to attend the Previous Examination of the succeeding year.

If any Student shall absent himself from the Previous Examination of his year, without the written permission of the Provost, he shall be considered not to have kept the Easter Term of that year.

Students entering in the Lent or Easter Term must offer themselves for examination at the same time with those who entered in the preceding October.

II. EXAMINATION FOR THE DEGREE OF B. A.

PASS EXAMINATION.

The regular time for passing this Examination will be at the end of the ninth term of residence. By-term men may present themselves at the same time with those who entered in the preceding October. Those who have lost one or two terms may present themselves at the same time with Students of their own year. But in both these cases the degree will not be conferred until the Student shall have kept nine complete terms.

All Students, not candidates for Honours, intending to proceed to the Degree of B.A., must go through this Examination. The list will be published in the College Hall in alphabetical order.

Students who shall have been allowed to declare for Classical Honours at the end of the second year, and shall have passed a satisfactory examination in the Honour Subjects in Classics at the end of the third year, shall be exempted from examination in the Mathematical subjects of the ordinary examination for B.A.

The like exemption will be granted on the like conditions (*mutatis mutandis*) to Students who have been allowed to declare for Mathematical Honours.

The subjects for this examination will be as follows:

Hydrostatics.

The particular authors to be fixed before the end of the Easter Term of the second year.

HONOUR EXAMINATION AT B. A.

Those who shall have been approved at the Pass Examination for B.A. may present themselves for further examination for Honours in Classics or Mathematics. The result of such examination will be published in the College Hall, and in the public prints, in three classes: the order of merit in each subject being determined by the number of marks obtained in this examination, together with those obtained in that subject in the Pass Examination.

The Examiners in Classics or Mathematics may, at their discretion, add a fourth Honorary class to their Honour list, consisting of those who, not being candidates for Honours, have highly distinguished themselves in the Classical or Mathematical parts of the Pass Examination respectively.

Candidates for Honours who shall have claimed exemption from examination either in the Classical or in the Mathematical Subjects appointed for the ordinary Degree Examination, if they shall have failed to obtain a Class in Honours, will not be eligible for the Degree of B.A., until they shall have passed the ordinary Examination.

Trinity College.

TRINITY COLLEGE was, by an Act of the Legislature of the Province of Canada, passed in the year of our Lord 1851, constituted a body corporate, consisting of the Lord Bishop of Toronto (or in case of the division of the Diocese of Toronto, of the Bishops of the several Dioceses into which the Diocese of Toronto shall be divided), the Trustees of the College, and the College Council.

On the first of January, 1850, an Act of the Provincial Legislature came into operation, constituting the University of Toronto; and under the provisions of this Act, the Faculty of Divinity was suppressed, and the use of the ritual of the English Church forbidden, in King's College, now known as University College.

This important change in the constitution of a foundation, which owed its origin mainly to the long continued and persevering efforts of the Bishop of Toronto, appeared to his Lordship, and to the great body of the Churchmen of the Province, to render indispensable the erection of a College for the instruction of members of the Church of England.

The Bishop, consequently, on the 7th of February, 1850, issued a Pastoral Letter to the Clergy and Laity of the Diocese, inviting their co-operation in the good work. This appeal was nobly responded to, and about £25,000 currency was subscribed in money, lands, and stock in building societies.

In the same year his Lordship proceeded to England.

where he received very liberal assistance in carrying out his great design. The Society for the Propagation of the Gospel in Foreign Parts made a vote of two thousand pounds, payable by instalments of four hundred pounds per annum, and also gave seven acres and a half of land, within the precincts of the City of Toronto. The Society for Promoting Christian Knowledge granted three thousand pounds, and the University of Oxford five hundred pounds. The subscriptions of individuals exceeded four thousand pounds.

On Wednesday, April 30th, 1851, the foundation stone of the College was laid; and on Thursday, the 15th of January, 1852, the Inauguration took place, and from that day the regular course of instruction commenced.

In the year 1852, the Ven. A. N. Bethune, D.D., Archdeacon of York, raised further subscriptions in England: and in 1852-3, the Rev. William McMurray, D.D., by the appointment of the Bishop, made a tour in the United States, for the purpose of soliciting subscriptions on behalf of the College. He met everywhere with a most cordial reception from the members of the sister Church, and obtained, in books and money, a sum little short of 10,000 dollars.

Within the Diocese successful efforts were, at the same time, made by the Rev. T. B. Fuller, D.D., and by the Rev. Saltern Givins—the former, by the Bishop's appointment, undertaking the canvass of the western, the latter that of the eastern section of the Diocese.

In April, 1853, Dr. Burnside placed at the disposal of the College the munificent sum of £6,000, in lands and money—a portion of which has been devoted to the foundation of two Burnside Scholarships for Students in Arts, in order permanently to associate with the College the name of this noble benefactor.

In the year 1864, the Rev. William McMurray, D.D., D.C.L., Rector of Niagara, was deputed, by the Corporation of Trinity College, to visit England for the purpose of seeking aid towards the endowment of the College. The result of his laborious and successful endeavours was the realizing of an amount in money or in books of about \$20,000. The books given are mentioned in detail, in the account given of the Library of the College. Dr. McMurray's mission having been interrupted by the necessity of returning to Canada, the Rev. W. S. Darling was appointed in the following year to take up the unfinished work, and he succeeded in collecting \$2,525.

The Hon. James Gordon, M.L.C., bequeathed to the College in 1865 the sum of £500 currency.

In the year 1866, Enoch Turner, Esq., of Toronto, bequeathed to the College £2,000 currency, payable on the death of his wife, out of his "Gas Stock, to be applied towards carrying on the charitable and holy purposes for which the College was incorporated."

Other benefactions to the College will be found mentioned in connection with the Library, or under the head of Scholarships.

Library.

The College Library contains about 4,500 volumes, 600 of which are a gift from the Society for the Promotion of Christian Knowledge. About the same number were sent from England by private benefactors before the College was opened. Valuable additions have been made to the Library by the Government of the State of New York, from the Smithsonian Institute, and from Columbia College. The late Bishop of Toronto also presented upwards of 300 volumes, including many valuable works in Theological, Classical, and General Literature, and at his death bequeathed to the College the remainder of his extensive and valuable Library. The University of Oxford has recently made a munificent grant of books, published at the University Press, of the value, of £150 sterling; and Trinity College, Dublin, has kindly presented copies of the works published by the University, amounting to upwards of 80 volumes.

During the year 1864, the following additional gifts were made to the Library:—

- The Widow of the late Rev. W. H. Ripley, 96 volumes;
- The Rev. E. B. Pusey, D.D., 46 volumes;
- The University of Cambridge, 63 volumes;
- The Rev. George Williams, B.D., Fellow of King's College, Cambridge, 45 volumes;

The Rev. J. B. Mayor, B.D., Librarian of the University of Cambridge, 457 volumes ;
 The Royal Irish Academy, 37 volumes ;
 The University of Trinity College, Dublin, 80 vols. ;
 The Rev. H. Ramsden Bradley, M.A., Fellow and Tutor of Magdalen College, Oxford, 6 vols. ;
 The Rev. J. B. Mayor, B.D., has subsequently sent about 160 volumes.

In 1867, the Rev. John Smithhurst bequeathed his Library to the College.

All fees for Matriculation and Degrees are appropriated to the Library Fund. Members of Convocation are, under certain regulations, entitled to the use of the Library.

**Fund for the Erection of a Library and Convocation Hall
at Trinity College, as a Memorial to the Founder,**

The late Bishop Strachan.

At a meeting held in Toronto, on Tuesday, January 21st, 1868, The Right Reverend The Lord Bishop of Toronto in the chair, the following resolution was adopted:—

Moved by the Hon. JOHN HILLYARD CAMERON,
seconded by the Rev. W. S. DARLING,

Resolved—That the eminent services of the late Honorable and Right Reverend John Strachan, D.D., L.L.D., Lord Bishop of Toronto, since the commencement of this century, demand a tribute to his memory, which, while Provincial in its character, shall commemorate the great work to which the last twenty-five years of his life were devoted, the establishment of a Church University; and that the most appropriate tribute will be the erection of a Convocation Hall and Library for Trinity College.

In pursuance of the object thus indicated, an appeal is now made to the friends of Trinity College, and to all persons throughout the former Province of Canada who, desiring to do honour to the memory of the deceased Prelate, regard the proposed building as an appropriate memorial of one who was so widely known and beloved, to give their hearty co-operation in carrying out this important undertaking to a successful issue.

Apart from the considerations by which the appropriate character of the intended memorial is illustrated in the above resolution, special reasons may be given why those, to whom the late Bishop was intimately known, desire to adopt this as the most fitting mode of perpetuating his memory.

The late Bishop repeatedly expressed his regret that no fitting place had been provided within the College for the Annual Meetings of the Convocation, and his conviction that the want of suitable accommodation on such public occasions had been a serious disadvantage to the Institution.

Again, the Bishop bequeathed to the College his Library, consisting of about three thousand volumes; while the room which at present contains the College Library is filled almost to its utmost capacity by the four thousand six hundred volumes which it already possesses independently of the bequest, and consequently, unless a new building be erected, the College is absolutely without the means of receiving and arranging for use this last munificent token of the late Bishop's attachment to the foundation which he had so long laboured to establish and to foster.

These circumstances impose upon the College and its friends the sacred duty both of consulting the known wishes of the deceased Prelate, and of making honourable provision for the safe keeping of the valuable gift which he has entrusted to their care.

The gentlemen named below have agreed to act as a Central Committee, and other gentlemen in the

several cities and towns of the Province (who shall be *ex officio* members of the Central Committee), will be immediately requested to act in the formation of Local Committees for the purpose of carrying out the object here announced.

The Central Committee will, when a sufficient sum has been raised, receive plans for the proposed building, and make from such plans a selection, subject to the approval of the Corporation of Trinity College.
