--	--

*** This ATLAS does not consist of copies of existing works, differing only in appearance, but is the result of careful investigation and minute research; the whole being compiled from the most authentic and valuable materials, and every effort made to insure accuracy and perspicuity. The Maps are illustrated by copious Tables of the Extent, Population, &c., of the several Countries; comprising a Summary of Geographical and Statistical information, in a more condensed form than has hitherto been effected.

	£. s. d.

PLANS

OF

LONDON AND ITS ENVIRONS.

LONDON and WESTMINSTER, Plan of the Cities of, with the BOROUGH of SOUTHWARK, including the adjacent *Suburbs*, in which every Dwelling-house is described and numbered. Surveyed and first published by R. Horwood. For the purpose of rendering this new edition complete and correct, the whole extent of the plan has been carefully re-surveyed, from which examination, all the new Buildings, Alterations, and other Improvements are inserted to the present time. This edition has likewise been augmented with eight new copper-plates, extending the plan eastward to the River Lea, thereby comprehending those important objects, the London, West India, and East India Docks. Forty sheets. 7 ft. 6 in. high, by 17 ft. wide. 10*l.*; or, half-bound in Russia, with the Limits of the Parishes coloured, and an Index Map.....

A VIEW of the various LEGISLATIVE REGULATIONS on the IMPORT and EXPORT of GRAIN, since the Act of the 22d of Charles II., cap. 13, and the 1st of William and Mary, to the present time; exhibiting by Scale the Variations from Year to Year in the Price of Wheat, from 1760 to 1827, with the Average Prices in the several Periods of War and Peace. By the Right Hon. the Earl of Lauderdale. Two sheets	0	2	6

ASTRONOMICAL.

	£	s.	d.
A LUNAR GLOBE , 12 inches diameter, drawn and engraved by the late John Russell, Esq., R.A. This Globe exhibits the visible Hemisphere of the Moon, engraved with great accuracy and elegance, and has been long known to the Astronomical World. Fixed upon a mahogany stand	4	14	6
Two accurately-engraved Views of the Moon's Surface in Plano, by the same; with descriptive Letter-press. The first plate represents the Lunar Mountains, as seen under the oblique rays of the Sun, with the Shadow of the Mountains clearly defined. The other plate represents the Moon at the full, under the direct rays of the Sun, with the Phenomena of the Moon, peculiar to that state, carefully expressed. Bound in boards	4	14	6

MAPS FOR THE USE OF SCHOOLS,

PRICE 2s. EACH SHEET, FULL COLOURED.

Eastern Hemisphere—Western ditto—Northern ditto—Southern ditto.
Europe—Asia—Africa—America—The World on Mercator's
Projection—England and Wales—Scotland and Ireland.

OUTLINE MAPS.

ON THE SAME SCALE AS THE ABOVE,

PRICE 1s. EACH SHEET.

Eastern Hemisphere—Western ditto—Northern ditto—Southern ditto
—Europe—Asia—Africa—America—The World on Mercator's
Projection—England and Wales—Scotland, Ireland, and the
British Isles.

. These maps contain the lines of latitude and longitude, with their degrees, and the outlines only of their respective countries; the insertion of the towns, rivers, &c., with their names, forming an agreeable and instructive exercise.

CHRONOLOGICAL MAP of EUROPE, describing the Revolutions of its principal States. Two sheets	0	6	0
The ROYAL GEOGRAPHICAL PASTIME , exhibiting a complete Tour round the World. One sheet	0	5	0
Ditto, the TOUR of EUROPE. One sheet	0	5	0
Ditto, TOUR through ENGLAND and WALES. One sheet	0	5	0

DISSECTED MAPS.

These Maps furnish an easy and familiar method of teaching the science of Geography to young persons: the Maps are pasted on mahogany, and accurately dissected or cut into the respective Kingdoms, States, &c. each Map inclosed in a neat mahogany box.

The Maps of the World, Europe, Asia, Africa, America, England, Scotland, and Ireland, are kept ready for inspection; but any Map will be dissected to order.

THE ORDNANCE SURVEY OF GREAT BRITAIN;

ALSO

THE CHARTS AND NAUTICAL WORKS

(Printed at the Hydrographical Office, Admiralty),

ARE

SOLD BY J. WYLD AND SON, CHARING CROSS, EAST,

(Four Doors from the corner of Trafalger Square.)

In addition to the MAPS enumerated in this Catalogue, J. WYLD and SON beg to announce that they constantly keep a large assortment of MAPS and CHARTS (British and Foreign), GLOBES in every variety of mounting, ROAD BOOKS, and GEOGRAPHICAL WORKS of every description.

THE END
