THE ELORA THRESHER!

We give below a few of the many testimonials received with regard to the efficiency, etc., of the above machine:—

Testimonials:

To the Elora Agricultural Machine Co.,

ELORA, Ont., March 11th., 1879.

Gentlemen:—It is with pleasure that I inform you, the machine bought from you in October last has given in every way the most complete satisfaction, and from my experience in the handling of such machines for a number of years, and from the best manufacturers, I have not the least hesitation in recommending yours to all who purpose buying as one of the best now made in the Dominion. I have threshed this season 102 days and in that time have never been put to the least inconvenience through any fault of the machine.

Yours truly,

GEORGE BRUCE, Lot 3-4, Con. 1, Pilkington.

FERGUS, March 18th, 1879.

To the Elora Agricultural Machine Co.,

Gents:—You will no doubt be glad to know, that we have just closed a most satisfactory season's work with the thresher bought of you last summer. We have been kept busy during the whole season, and have not found any reason for complaint, either of the machine or its work. We can heartily recommend it to intending purchasers.

Yours truly, etc.,

Fergus, P. O.

WILLIAM WOOD, Lot 2, Con. 1, Garafraxa.

WINNIPEG, Manitoba, April 10th, 1878.

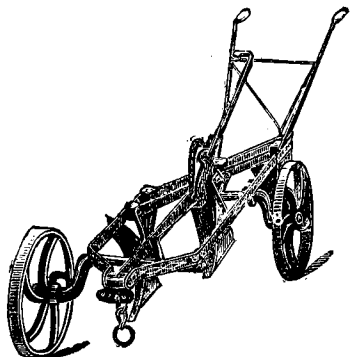

To the Elora Agr'l Mach. Co., Elora, Ont.

The machine you built for me last year has given very good satisfaction. I threshed twenty-eight thousand bushels in two months. This includes the time of moving the machine from one place to another. I am well satisfied with it.

Yours truly,

JOSIAH ROSS.

CITY OF GUELPH.

Guelph the County Town of Wellington became a City by Royal Proclamation this present year on the 52nd Anniversary of the cutting of the first tree on its present site. The inaugural ceremonies were never excelled in Canada on any similar occasion, although there are now seven Cities in Ontario alone. Up to the opening of the Grand Trunk Railway its growth was slow, but through the impetus it then received, and afterwards by the Great Western Railway Co. running a branch to the town, which was subsequently continued through the Counties of Wellington, Grey & Bruce to our inland waters, thus making Guelph the most important commercial place North of Toronto. In 1856 it was incorporated a town with 3,000 inhabitants, which had increased to 5,500 in 1867 at the time of Confederation, and in 1879 takes her place among the family of Cities, with a population little short of 11,000, and an assessed value of over three Million of Dollars.

The Churches, Schools, Halls, Government & County Buildings are respectable and nearly all cut-stone edifices, which display an amount of wealth and solidity seldom equaled and not excelled in any of our modern Cities.

MOUNT FOREST.

An important Town and Station on the T., G. & B. Railroad, situated at the limits of the County, but embraced in it by the Act of incorporation. It is 40 miles from Guelph, and 44 from Owen Sound, (County town of Grey), and has advanced more rapidly within the last decade than any other place in either county—in public improvements, commerce, manufactures and population—the latter being now between 3,000 and 4,000 inhabitants. Among its manufactures we note the extensive Foundry and Implement Works of Kilgour & Sons, and also that of Stovel & Sons, where every article in their line is turned out, Ainsley Tannery's, Tanner & Harris' woollen mills, and the 3 flouring-mills, Martin & Sons flour and oatmeal mills are not excelled in Ontario for superiority of oatmeal especially, which obtained the highest award at the Centennial exhibition.

Yeomans and Henderson's mills are also deserving of notice.

Enterprise Woollen Mills of Tanner & Harris are the most extensive in North Wellington, and employ 20 to 30 hands.

CHURCHES.—Methodist, Episcopal, Presbyterian, Church of England, Roman Catholic, etc., are very creditable buildings.

An important and flourishing town on the Credit River, township of Garafraxa, and bordering on the townships of Mono and Caledon, counties of Peel and Simcoe. This place is one of the most important towns in western Ontario, and likely will be the County town of the new County Dufferin. Here is one of the principal stations of the Toronto, Grey and Bruce railway. Canadian Bank of Commerce and Merchants Bank of Canada, Montreal and Dominion Telegraph Companies all have offices here. Two weekly papers are published in the town, the *Sun* and *Advertiser*. There are also two Foundries and Agricultural implement manufacturies, saw mills, planing mills, grist mill, tannery, several brick yards, two cabinet factories, carriage factories, pump factory, pottery, a large number of first-class hotels, six churches, and a number of very fine stores. The town being in the centre of an extensive agricultural district, a large business is transacted, and immense quantities of grain and other farm produce is purchased and shipped by rail. Distant from Toronto 49 miles from Mount Forest 38 miles, and from Guelph, the county town, 35 miles. Population 3,000.
