## INTRODUCTION.

---

We are glad to be able to report that Ottawa is steadily increasing in population, and is advancing as a city should, without any boom, and at its present rate of progress, it will be ere long, the third city in the Dominion in importance, as well as in population.

We have 1,265 individual names more in our 1895-6 Directory than there were in the previous issue. This, according to Directory Publishers' estimate, would give the Capital of the Dominion a population of about 60,000, independent of the suburbs, and Hull City.

We again take the liberty of warning our patrons against unscrupulous Directory publishers. See that the Might Directory Co.'s name is printed on the order before signing.

Although we are later in issuing than we expected, we flatter ourselves that our patrons will have the best directory this year they have ever perused.

Thanking all those who so kindly assisted us in procuring the necessary information, we now trust that the collections will come in freely, as time is money.

Yours Truly,

**The Might Directory Company of Toronto, Limited.**

J. M. Might, *President and Managing Director.*

E. A. OLVER,  
MANAGER.

*Capital Warehousing*

OTTAWA,  
CANADA.

F. F. MORRIS.

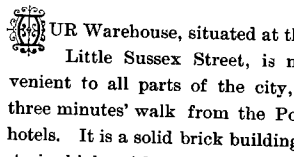

**We  
Will  
Store  
Your  
Furniture.**

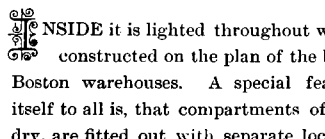

**F**o you intend to give up house, go abroad, board out, or spend the season at Aylmer, Britannia, Rockcliffe, the St. Lawrence, or some other resort, if so, you of course do not care to take your furniture with you, neither do you wish to pay rent for a house and leave it there: you will look around for a good, safe place to store it, and if wise, will come to us, as we make a business of storing furniture and other goods, and have a building which is properly fitted up and devoted entirely to that purpose. We issue warehouse receipts for everything placed in our keeping, and our rates are very low.

**Our  
Solid  
Brick  
Warehouse.**

UR Warehouse, situated at the Canal Basin, foot of Little Sussex Street, is most central and convenient to all parts of the city, being not more than three minutes' walk from the Post Office or principal hotels. It is a solid brick building 33 × 100 feet, three stories high, with a floor space of 8,500 square feet: it has a fireproof gravel roof, and is what is rated by the insurance men as a first-class building.

**Separate  
Locked  
Compartment-  
ments . .**

**INSIDE** it is lighted throughout with electricity, and constructed on the plan of the best New York and Boston warehouses. A special feature commending itself to all is, that compartments of all sizes, airy and dry, are fitted out with separate lock and key, so that patrons can store their furniture or other effects in these for long or short periods, and feel that they will be perfectly safe from disturbance.

**We  
Issue  
Negotiable  
Warehouse  
Receipts.**

**OUR** business, which was established in 1890 by Mr. W. D. Morris, Manager of Rogers & Morris, Ltd., is now owned by Mr. E. A. Olver and Mr. F. F. Morris, and is run on the most modern and improved lines; for everything which is stored with us we issue a warehouse receipt (according to the Statutes of Canada, 34 Vic. chap. 5, and 43 Vic. chap. 22); these are negotiable and accepted as security by financial institutions, or money can be borrowed on them if necessary.

**For  
Long  
Or  
Short  
Periods.**

**W**E will store furniture, household effects, trunks, cases, general merchandise, chairs, billiard or pool tables, stoves, contractors' effects, etc., for long or short periods, and if you want a space or compartment come into our office and reserve it now. Many of the best known people of Ottawa are our patrons, and can testify to the excellent storage of their goods.

All information, rates, etc., cheerfully given at our office, which is the same as that of The Sam'l Rogers Oil Co., 42 Elgin St., Central Chambers. After 1st May, 1895, it will be 561 Sussex St., where the oil firm of Rogers & Morris, Ltd., will have their new and spacious offices.

**Our Telephone Number is 514.**

# INSURANCE AGENTS!

Established

1882.

Incorporated

1885.

## THE INDICATOR

Is Published Semi-Monthly.  
It was Established in 1882.  
It will Keep You Posted

on all Insurance matters, direct you to the reliable Companies, and warn you against the fraudulent concerns.

## Every Insurance Agent Should Take It.

Each issue contains matter of particular interest to all Insurance Companies, Managers, Agents, and Brokers of Life, Fire, Marine, Accident and Plate Glass Insurance, Real Estate Agents, Banks, Loaning Offices, Capitalists, Lawyers, Book-keepers, Clerks, Physicians, Manufacturers and Business Men.

It contains from time to time Special Articles on Insurance Matters, which alone are worth more than the subscription price.

It contains correspondence from our own correspondents from all important points throughout the country.

**THE INDICATOR WAGES an UNRELENTING WAR on "UNDERGROUNDERS," "WILD CATS" and all "SHADY" PROCEEDINGS.**

*Every Wide Awake Insurance Agent Should Take It.*

**PRICE, \$3.00 PER YEAR. Single Copies, 15c.**

*One Subscriber writes as follows, viz.:*—"The Indicator" saved one of my patrons \$3,000 and put over \$100 extra commissions in my pocket; you may continue it indefinitely."

*Another Subscriber (a prominent banker and large property owner) writes:*—"You may send me 'The Indicator' for another year. I would not be without it for five times its price. It has warned me *in time* of many unreliable companies. I think property owners should pay more attention to the class of companies their property is insured in, and keep posted concerning the companies whose policies they hold. Whenever I place any insurance I always try to secure the policies of the companies whose advertisements appear in 'The Indicator,' for I know *they* are reliable."

The aim of "The Indicator" is to uphold the genuine and expose and fight the shams of all kinds in insurance. Every Agent representing an insurance company doing a legitimate, lawful business should subscribe for it.
