GOD SAVE THE KING

2 O Lord our God, arise,
Scatter his enemies,
And make them fall :
Confound their politics ;
Frustrate their knavish tricks ;
On him our hopes we fix ;
God save us all.

3 Thy choicest gifts in store
On him be pleased to pour ;
Long may he reign :
May he defend our laws,
And ever give us cause
To sing with heart and voice,
God save the King.

2. With luxury and pride surrounded,
 The vile, insatiate despots dare,
 Their thirst of gold and power unbounded,
 To mete and vend the light and air.
 Like beasts of burden would they load us—
 Like gods would bid their slaves adore—
 But man is man—and who is more?
 Then shall they longer lash and goad us?
 To arms, etc.
