

SULPHUR & IRON BITTERS

Oh, My Back!

That's a common expression, and has a world of meaning. How much suffering is summed up in it!

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, overwork, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as SULPHUR AND IRON BITTERS, and it does this by commencing at the foundation, and making the blood pure and rich.

Gentlemen—On reading your advertisement of Sulphur and Iron in one of our city papers, thinking it might be a remedy for my disease which was general debility, I went to Mr. H. F. MacCarthy, Druggist here, and purchased a bottle, having used it found it did good, as it is a great means of strengthening; as a pedestrian my walk was that of a snail, now can walk as quickly as an ordinary person. When I found the bottle was used, I hastened to get another, my family are using it also, and has the desired effect. You can use this testimonial as a certificate of the good result produced, as it does all you say.
