PLEASE PLACE CHRISTMAS ORDERS EARLY

In the few days before Christmas, the enormous demands on our stock are bound to exhaust the supply of some few lines notwithstanding our best efforts to keep up to these demands.

Owing to extraordinary shortage of skilled engravers, and not wishing to lower the standard of the work, we are asking customers to forego any engraving between December 10th and 25th. Any work we are unable to do during this period we shall be glad to do after the holidays.
