Notes

The reception tendered our Students by the young ladies on Monday eve proved to be such an enjoyable affair that they contemplate giving a series of such evenings during the coming month.

The Young People's Society of Christian Endeavor will hold a short meeting in the parlours of the church at the close of this evening's service, to which they invite any and all of the congregation who can to remain.

At the Wednesday evening Prayermeeting the Pastor intends taking up the Sabbath School lesson for the following Sunday as his subject.

Keep Thursday, Nov. 16, clear. Miss Jessie Alexander, assisted by our choir and others, will give an entertainment in the church on that date.

The Young Ladies are planning for a Musicals to be held at Mr. Walmsley's, on the eve of Nov. 12th.

Ushers urge Pewholders to be in their seats as near ten minutes to seven as possible at the evening services, as it will facilitate their work very much and prevent many misunderstandings.

It is with sincere regret that we have to state that during the week death has entered and claimed two of our number,—Miss Spence and Mr. Livingston. We extend to the bereaved families the hand of sympathy in this their hour of sorrow.
