

Size of Greece -
of Rome
of the Holy Land

~~There are the stages upon~~
It is not upon enormous Russia nor upon gigantic
China but on this small stage that the great dramas
of the world's history have been played

Material greatness not everything -
Something higher than the Almighty dollar -
A little ^{bit} Canada to be developed inside your own
skins and on your development you will depend
your value - your native Country & your influence
upon your fellow citizens. Taking in & digesting
Reading & thinking.

Not always magazines -
Form your little library -
In these days books are so cheap & good
that there is no excuse -
Carlyle & his 6 volumes in 6 days.

Not always fiction -
Fiction now a days teaches much more than
it used to do.

Read what interests you -
Stanley & his 40 books -

X
Canada for a Rest cure.

Talking ever since I arrived

Nothing left to talk about.

My English news is state news.

The old Country is sound to the Core.

Commercially. Tariff Reformers.

Financially (2/3 half that has gone to Mexico. ...)

Physically -

Navy & army -

Socially.

Boy Scouts

National Reserve

Menace of European War

Germany Special tax.

Ireland Budget 207 millions of pounds

Mosquito bites never hurt a nation.

The sleeping sickness Bug.

Dog and the Fleas

What has struck me most in Canada.

The small house & the big one.

Canada herself.

The line of runners losing the line - The C. & T. Pacific Line

Race has begun.

How will it be in ten years.

Scott - Wainwright - McIlwaine - Portage la Prairie -

Follow their Career with great interest

Size & peatness.

Bears. Legend History

Naturalism.

History - Parkman - Macaulay.
Biography - Lord Roberts - ^{my own} experience
Science - 'The great Scientists' Channington.
Human Origins

Get a list of cheap books, choose half a dozen, and mark them -

—
Something due to do -

No man works the less well for having
some culture.
